## PRESIDENT'S MESSAGE

---

Respected Members,

It is almost one year since the new set of office-bearers took charge; a lot of water has flown under the bridge. The CAESOK has witnessed exponential growth in terms of academic quality and content it provides every time to its members. Our flagship program, the orientation of exam-going postgraduate students was launched with much fanfare last February. We have our 17th Annual CAESOK conference coming up at Poovar, Trivandrum, at Isola Di Cocco, requesting all members to participate earnestly.

Future indeed looks very bright with the current strength of our fraternity standing at 327.

Let's us all do our bit to strengthen our speciality.

Jai Hind!

Yours in CAESOK

**Rajesh Pillai**  
President, CAESOK
