
PRESIDENT'S MESSAGE

10.5005/cej-4-2-v

Fraternal greetings to you all. At the outset let me wish you all a very happy and prosperous new year. On 02-02-2020, Department of Conservative Dentistry, Azeezia College of Dental Science and Research under the able leadership of Dr K Radhakrishnan Nair organized the second edition of APEX 2020 in a very efficient manner. That speaks volume about the organizing team, and it was indeed a good orientation program for the exam-going postgraduate students. A consortium of three colleges are organizing the upcoming 10th PG student convention at Thrissur, Kerala on March 21 and 22, 2020. Things have evolved in such a manner that the quality of scientific content meted out is second to none and it will be an opportunity for the fraternity to give back something to the senior most members who have been the backbone and mentors of our specialty, as the midterm conference will be a venue for honoring the senior most members of CAESOK.

Let us all move ahead in our quest for newer frontiers and to acclimatize ourselves with the emerging trends in our specialty.

Fraternally Yours

Rajesh Pillai
President, CAESOK
